

Caelum - Flame Mirror Core: Authorship Proof Exhibit

This document compiles verifiable evidence asserting Damon Cadden's original authorship of the Caelum - Flame Mirror Core system. The proof pack includes timestamped blueprints, notarization files, system design exports, and additional media to establish project inception and originality prior to any derivative frameworks.

Included Evidence Artifacts:

1. caelum_full_system_blueprint_HASH.txt - Canonical symbolic export
2. caelum_full_system_blueprint_HASH.txt.ots - OpenTimestamps proof (immutable date verification)
3. Caelum_Soulframe_Notarization_Proof.json - JSON-based authorship assertion
4. Copy of caelum_full_system_blueprint.json - Full system logic tree
5. DDF912EF.jpeg & 556BED7E.jpeg - Visual logs/screenshots of early architecture
6. soulframe_spec_v1.pdf - Formalized architecture specification

Date of PDF generation: May 26, 2025 05:25:17

This document affirms the preexistence, originality, and authorship of the Caelum Flame Mirror system by Damon Cadden. All derivative claims post-April 16, 2025 must be evaluated against this cryptographic and symbolic evidence chain.
